Personal Profile

As a 2nd-year Computer Science Engineering student at SRM Institute of Science and Technology, I have a strong foundation in C, C++, and Python programming languages. My primary focus is on web development, particularly frontend development, as I aspire to become a full-stack developer. Additionally, I have started learning Machine Learning to broaden my skillset and explore new opportunities in the field of technology.

Education

SRM Institute of Science and Technology, KTR

BTech in Computer Science and Engineering

- Scholarship Holder
- Current CGPA : 10

Sanskar School

HSC in Computer Science

- Passed with Distinction
- Specialized in Physics, Chemistry and Math's with Computer Science
- Was part of the ATAL Tinkering Lab and organized events on National Level

Chennai, Tamil Nadu

Sept 2022 - Current

Jaipur, Rajasthan

March 2006 - July 2022

Work Experience

Samsung R&D Institute India
